

Reading Raymond Williams in 2012

In the past year new editions of Raymond Williams' books, have been published to join *Border Country* which appeared in 2006. The three books are,
Raymond Williams, *The Country and the City*, Spokesman Books, 2011
Raymond Williams, *The Long Revolution*, Parthian 2011
Raymond Williams, *The Volunteers*, Parthian 2011

Each carry Forwards from people who new Raymond and can write from personal experience and understanding of the larger project he engaged in. Connections between the three books demonstrate themes in Williams' thinking across his life as he advanced to address new material and cultural conditions.
